In Jno Hill to note
Mr White to report

a.s.

13 SEP 1897

I beg respectfully to state that last
month the name of the writers was
inserted as owners in this case in
consequence of a form received from the
Registrar General on August 4th, it being
concluded the Shaw, Savill & Albion Coy
had retaken possession of the vessel.
It appears however from the Registrar General's
reply to an enquiry made on the receipt of this
letter that Mr Geo Mc Clachlin, whose name
I regret was expunged, is still the registered
owner.

The usual Circular letters were addressed to
the parties concerned before the erroneous
posting was made.

The necessary correction is being made
in the Book without delay.
