7, Commercial Court,
17, Water Street,

Liverpool, 26th Aug 1896.

To the Secretary of
Lloyd's British Foreign Shipping
London &c.

Dear Sir,

"Indian Empire" at Callao

Referring to previous correspondence, I would be pleased to hear if you have any news from your Agent at Lima, as to the refitting of above vessel, so that you might re-issue her previous class .

I may say I have a cable from Callao to-day that she will be ready for sea by 20th proximo, and am anxious to have as much time between now and that date as possible to arrange a homeward charter, before I can do this I must have a provisional certificate till her return to this Country when as already arranged she will be submitted for

your surveyors inspection
I am, Dear Sir,
Yours truly,
Thomas Shute

Also for Mr. Hill to note.
