Dear Sir—
"Indian Empress"
 I am obliged for yours, and note your remarks. It will however be a great hardship on me if the ship must wait from after completion of repairs in Callao, till the Surveyors report comes to hand here, and is duly considered by your Committee. As soon as the work is done, I will want to find business for Indian Empress homewards: with your conditions I will not be able to employ her for about four to five months.

I took it from your previous letter your Agent would grant a provisional continuation of her present class till the vessel returns to this country, seeing the work will be done to your Agent's satisfaction.

through two nautical men. Failing
granting the provisional certificate
I would agree that your Agent should
cable the work has been done satis-
factorily at ~~your~~ my expense, to which
you might reply.

On return to a W.K. port ship will be
placed in your surveyors hands.

I trust you will see your way
to grant me the favour asked, mean-
time I remain,

Yours truly
Elizabeth Shute.
