1st. October 1901.

Sir,

I have to acquaint you that I am in receipt of a letter from the Owners of the cable steamer "GRAPPLER" in which they state that their General Superintendent is arranging for the Special Survey No.2 to be carried out at St.Thomas,(W.L.) by yourself and enquires whether the Committee will accept the Acting Superintendent of the Royal Mail Factory as Surveyor for the machinery.

This arrangement has been approved and I have therefore to request that you will be guided accordingly.

I am, Sir,

Your obedient Servant,

Secretary.

G. Duncan Esq.,
