17th., August 1901.

Dear Sirs,

I beg to acknowledge the receipt of your letter of the 16th. inst., with its enclosures relating to the boilers you are about to construct for the S.S. "BLONDE" and for a new tug boat (No. 490), for which I have to thank you.

With regard to the proposed alteration in the size of the manholes in the bottom of boiler of the S.S. "BLONDE", I have to state that there will be no objection raised to their being made 12" x 16" as now proposed.

I am, Dear Sirs,

Yours faithfully,

Secretary.

P.S. I may remind you that the special survey order form for the S.S. "BLONDE'S" boiler, sent you on the 25th. June for signature, has not yet been returned.
