Dear Sir

We are in receipt of your letter of the 8th inst. informing us that you are not survey the new Trawler we are building until your engine fee is paid on the S.S. "Emerald" & am sorry that your Committee should compel us to pay what we had never undertaken to pay & which we are unable to recover. Under the circumstances we hope your Committee will kindly reconsider the matter or at any rate reduce this very heavy fee of £8-8 & as we want to consult to survey our new vessel we should like the question settled & will pay £5-0-0: which we trust your Committee will do us
