

S.

21<sup>st</sup> Decr. 1899

Gentlemen,

With reference to your letter  
of the 16<sup>th</sup> inst. respecting the fee still  
standing for the conveyance of the  
churn of the steamer "General,"  
it is to state that the Committee must  
ask Messrs. Harris Bros. the builders of  
vessel, who made them liable for  
payment of the fee, and I have to  
trust that you will not undertake  
conveyance at Messrs. Harris Bros. until  
fee has been paid, without  
officially communicating with me on  
subject.

I am,  
Gentlemen,  
Your obedient servant  
Asst. Secy.

Yours  
Leith
