

Lloyd's Proving House,

Tipton,

Staffordshire.

16<sup>th</sup> May 1890

THESE CERTIFICATES  
MUST BE KEPT TOGETHER

This is to certify that the Cast  
Steel Head No. 18 of Lyzack's Patent  
Anchor was submitted to the Drop  
and Hammering Tests in my presence  
and proved satisfactory; also the  
Bending Test Piece proved satisfactory.
