The Secretary,

London..

Sir,

In forwarding the accompanying confirmation of a telegram sent to you this day re. S.S. "Phillis Angell", I regret to find, on looking over First Entry Report., that the thickness of the main deckplating is not given..

The deckplating is  $\frac{7}{20}$  thick for  $\frac{1}{2}$  length to  $\frac{6}{20}$  at ends & shall be glad if you will please to make the req<sup>d</sup> correction..

I am,

Sir,

Your obedient servant,

H. Paulsen
