29th March 1899.

Gentlemen,

I duly received Mr. Paulsen's
letter of the 23rd instant, enclosing one
from the representative of the Owners of
the steamer "Marguerite Depeaux," (now
to be named "Eleanor,") and in reply
thereto I have to state that the watertight
bulkhead on frame N^o 57 may be
removed as desired. A web frame should
be fitted in way of the same to give
entire satisfaction.

The two plans sent for reference
are returned herewith.

I am, Gentlemen,
Yours obedient servant
W. D. Russell
Secretary.

The Liverpool,
Leith.
