Received from Chief Surveyor

VESSEL'S NAME M. S. Marguitta Report Lth No. 8506  
Depeaux

The remarks of the Chief Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee Report, 24/5/02.)

Nature of Survey

Fresh Entry & Damage.

It is submitted that before this case receives the consideration of the Committee, the Surveyor should be requested to state, whether his recommendations for repairs contained in his damage report of the 15th June have been complied with, and the repairs dealt with to his satisfaction.
