Report

Ndlsto No. 164

The remarks of the Chief Surveyor are desired on this Case for the consideration of the Classing Committee.

A deep tank amidships has been built in accordance with approved plans, and the after peak has been converted into a tank; it is submitted that the vessel appears worthy to remain as Classed *100. A. 1* and to have the particulars of ~~water~~ ballast tanks recorded in the Register Book. (particulars appended)
