19th December, 1893.

Dear Sir,

I am in receipt of your letter of the 14th instant, respecting the Special Survey No.1 required by the Society's Rules on the steamer "COUNTY DERRY", and note that upon this vessel's arrival at Dundee within the next few days, the cellular double bottom will be opened up for examination and part of the Special Survey complied with.

I have to add that this arrangement is considered satisfactory by the Committee, subject to the remaining requirements of the Special Survey being completed on the vessel's return to the U.K. in about four months time as proposed.

I am, Dear Sir,

Yours faithfully,

Secretary.

James Maxton Esq.

28, Waring Street,

BELFAST.
