13th July, 1895.

Sir,

I have to send herewith, for your information and guidance, a copy of a letter dated 9th instant which I addressed to Messrs W.J.Woodside & Co. respecting the completion of the Special Survey No.1 on the steamer "COUNTY DERRY" on her arrival at Waterford in the course of 14 days, and I have to request that on the vessel's arrival you will at once place yourself in communication with the Master or Agents and arrange for the completion of the Special Survey.

I also enclose a statement of what remains to be done to complete this survey both on hull and machinery.

In the event of the completion of the survey not being proceeded with in due course, you should at once telegraph to me.

I am, Sir,

Your obedient Servant,

Secretary.

Mr. A. Horn,

WATERFORD.
