Sir

"Camel" - As you are aware this steamer's
boilers were passed by your Surveyor last
month until this month on the understanding
that we were intending to supply new boilers
for this steamer. The new boilers are being
made by Messrs Riley Bros of Stockton
and will still not be ready for a few weeks;
we are therefore glad if you can kindly
allow further extension of time until such
boilers are ready. Steamer is now at
Swansea & we hear from our Superintendent
that the present boilers are being maintained
in satisfactory condition.

Awaiting reply,

Yours truly

Matthew Pugh
