The Secretary

Sir

With reference to my first  
Entry Report on the steamer "Askehall" Messrs  
R. Craggs & Sons No 161, forwarded to day.  
I beg to enclose a letter from the Builders,  
regarding the construction of the hatchway  
corners which are lapped & single riveted in this  
vessel - As this had been previously submitted  
(see letter M 14/4/97) but not approved, the Builders  
attention was called to the matter, and the enclosed  
is their reply - The sketches are not yet to hand,  
but will be forwarded as soon as they arrive -

I am, Sir  
Your obedient servant  
W. H. Cooper
