

Wood Steamer "Liberia"

This vessel is not eligible for
1 year for having been built under a
Roof, as recommended, but as all the
materials are of the 8 years grade or
above, except the Hawse Timbers, it
is a case meeting the favorable con-
sideration of the Committee with a
view to assigning the S.A. class ^{"For river purposes only"} with
a notation in the Register book "Hawse
timbers". 7 years material.
