

Dunbrooke Dock
3 July 1846

To the Secretary of Lloyd's Register

Sir

I beg to inform you that I handed over the Certificate of Class. of Smack "Robert Hadden" to Mr Warlow, which was forwarded to the Owner, and to day when I was at Stansteadwell, Mr Warlow received a Telegram from Owner, that the A1 he required, and intimated that if he did not have it and in consequence of delay he should demand compensation; the Vessel has been completed and cargo on board, about three weeks, but waiting for Anchors and Chains, which was ordered on the 20th of May. have not arrived yet but the certificates have been received, and I beg to state they have been ordered according to the Owners specification and Contract, and as there is no size or weight given in the Rules for such small tonnage, Mr Warlow begs information of the Committee can grant the 1, for the unmentioned Anchors and Chains.

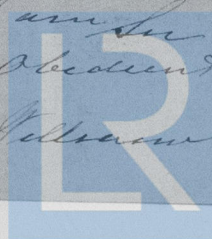

Board of Trade Surveyor returns the Vessel 28 tons Register

Smack 'Robert Stadden'
Register Tonnage 28 Tons

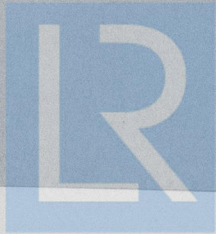

The following anchors and chains
have been supplied to this vessel
viz 63 fms of $\frac{7}{16}$ chain cable
and 37 " " $\frac{3}{4}$ "

One anchor 2 cwt. 17n 5 lbs ex stock
and one 1 " 1 " 10 "

tested in accordance with the Rules.

It is respectfully submitted that
as the tonnage of the vessel is only
28 Tons the equipment supplied is
worthy of the approval of the Committee
of such small tonnage.
