Privy Road Milford Haven

16th January 1892

Sir

I sent Messrs Oswald & Co the bill
for special survey fee on ship *Windermere*
last week and have today asked Mr Oswald
about it and he tells me he can do nothing in
the matter untill his father gets better as he
does not know what the agreement with the
owners is, I have informed both him and the
owners that the certificate will be held untill
the money is paid

I am Sir
your obedient Servant
A.D. Allan
