

Wood Hurricane Deck Barge "Nicolo Padre"
built at St Malo in 1879 and now
submitted for classification in the
Society's Register Book.

Dimensions 127.0 x 26.0 x 11.0

Gross Tonnage 375 tons.

This vessel is fitted with a Hurricane
Deck (about 5 ft 6 ins high) extending all
fore & aft.

She is now lying at Marseilles loaded
& ready for sea, and the owner submits
a Load Line of 11 ft 6 ins for the consideration
of the Committee.

She is also stated by Mr Westerman
to have been now specially surveyed in
accordance with the rules Section 52,
and Sections 55 & 56 for Restoration.

Under these circumstances it is
submitted that the vessel appears
worthy of the favorable consideration of
the Committee to be restored A. - for
5 years from December 1886 subject
to the proposed Load Line, ^{Corresponding to a freeboard of 6 ft 10 ins to the Hurricane Deck} being adhered
to, & the vessel surveyed for freeboard
at the earliest opportunity.

"1 DK & Hurricane Deck"

The anchors & chains do not appear to
have been tested as required by the
rules for the figure 1. for equipment.
