

Iron S. S. "Zambesi"

The few thin reversed frames in the bunkers have now been renewed and from the details supplied it appears that the equipment in the vessel is largely in excess of the requirements of Table 22 for the figure 1. The freeboards assigned by the Committee have now been marked on the vessel's sides & verified.

It is submitted that the vessel appears worthy the favourable consideration of the Committee to be Classed 100 A.1. "Awning Deck" and the freeboards as set forth on the accompanying verification form & now marked on the vessel's sides to be inserted on the Certificate of Class & recorded in the Register Book.

100 A.1. "Awning Deck"

S. S. Kob. N° 3. 4. 91.
