

George B. Seyfang Esq. Newport Mon  
October 28<sup>th</sup> 1891

Sir, As far as I have examined the  
Ship "British Empire", I am of opinion  
she may be raised one year in accordance  
with Rule A

The Ship Warrior of London  
belonging to Mr L. W. Michael is now  
here, under repairs. She was surveyed at  
Cardiff in Nov<sup>r</sup> 1889 and part of the  
Rules Section complied with. She  
intends complying with the whole  
with a view to her classification being  
now completed.

As Mr Longdon was on his  
way to Cardiff last week, I have  
called his attention to this vessel  
and we have held a survey on  
her on day back, with a view to  
completing the classification as re-  
quested. I am

Yours truly  
Harry Rogers  
To George B. Seyfang Esq.  
London
