Npt. No. 9292

The remarks of the Chief Surveyor are desired on this case for the consideration of the Classing Committee.

The whole of the requirements of the Rules for the "Sixth Survey" have apparently been carried out and the vessel being now in good order, it is submitted that she appears worthy the favourable consideration of the Committee to remain as classed, viz: A1-1 (in red) and to have the notation: "Sixth Survey" Npt. 12-90, with fresh record of Survey 12-90 recorded in the Register Book as recommended.
