

Newcastle 78

I do hereby certify that my Ship  
Comet of the burthen of 240 Tons was  
built at Sunderland in the Year 1815  
and in the Year 1829 was repaired at  
Yarmouth at an expence of upwards  
of 900<sup>l</sup> and in the Year 1833 had her  
Topsides renewed at Norway with  
Oak of that Country for her Strakes  
& covering boards as also very considerable  
repairs in the Hull at an expence  
of upwards of 500<sup>l</sup>. and also in this  
present Year in the Month of April  
was totally dismasted of the Yorkshire  
Coast taken to Hull and completely  
re-masted Rigged and new set of  
Sails —
