Mr Graham

Sir

We have Acknowledge yours up  
to the 4<sup>th</sup> Inst. the case of the Norway Barge  
"Hesta" N<sup>o</sup> 4401. I understood the Captain  
had written to his Owner on the 6<sup>th</sup>  
requiring it be put through the Customs  
of this Port, but he would be  
away on the present Voyage, and I  
anticipate he must have sailed, he not  
feeling himself authorized to go into the  
Cape, the vessel just having left the Newcastle  
as they expected complete.

I am Sir  
Yours V<sup>l</sup> Servant  
Mr. Doppelholz P<sup>ro</sup>
