

In the nests of tubes, this rule
refers to the back tube plate
and also to the front tube plate
at the parts B.

2, White Lion Court,
Coruhill, London.

Front tube plate at the
space A

The "pitch" is what is marked as
 $1' 3\frac{1}{2}"$.

In this case ~~the~~ each alternate
row in the bounding rows is a
stay tube,
