~~The remarks of the Chief Surveyor are desired on this Case for the consideration of the Classing Committee.~~

Will the Chief Surveyor please say whether the hawsers & warps of this vessel are now all in order, so that the Certificate of Classification may be issued?

The hawsers and warps described in the list furnished by the Builders meet the requirements of the Rules; and it is concluded that they have been placed on board, but they do not appear to have as yet been seen.

It is submitted that the Certificate of Class might be issued
