

M.

March 27th 1889.

Messrs. Wigham Richardson & Co.,
Machinery Works,
Newcastle-on-Tyne,
Dear Sir,

I have to acknowledge
the receipt of your letter of the
25th instant referring to your
Mr. Tweedy's recent visit to this
office concerning the freeboard
of your s.s. No 236, and in
reply I have to acquaint you
that provided the spar deck
stringer plate be made $\frac{2}{20}$ thick,
and the strake of plating next
the spar deck sheerstrake be
also made $\frac{2}{20}$ thicker, a freeboard
of 7 feet will be approved by
the Committee.

I note that you
will

return the approved plans
to the Society's Newcastle
office after noting the
amendments.

Yours faithfully
Secretary
