Gentlemen,

Having submitted for the consideration of the Committee the plan of the pumping arrangements proposed for your s.s. No. 697, I am directed to acquaint you that the arrangements in question will be approved of in this instance, provided the wing suction for the bilges of the engine room be placed in the gutters outside of the well, where they will always be easily accessible; the distance from the bottoms of the working barrels of the hand pumps to the rose boxes be not greater than 24 feet, and all the work be carried out in accordance with the Rules, and to your satisfaction.

I am, Gentlemen,

Your obedient servant,

Messrs Palmers S.B. Co. Ltd,

South Shields.
