6th January 1899.

Sir,

I have to acquaint you that I am informed by the Superintendent for the Owners of the steamer "HALIOTIS" that arrangements for burning liquid fuel have recently been fitted on board the vessel at your port, and I shall therefore be glad to learn whether the same was done under your inspection, and if so, to receive your report on the case.

I may add that it is understood that the sister vessel "TRIGONIA" will similarly be dealt with at either your port or Hong Kong.

I am, Sir,

Your obedient Servant,

pro Secretary.

A. Kidd, Esq.,

SINGAPORE.
