

Received by Chief Ship Surveyor 20.6.01

Received from Chief Ship Surveyor _____

VESSEL'S NAME Im S.S. "Eider"

Report Nwc No. 41616

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey _____

Raising of the class

It is submitted that before this case receives the consideration of the Committee the Newcastle Surveyors should be reminded of the letter addressed to them on the 13th May, and should be informed that the submission of the case to the Committee is being delayed owing to no reply having yet been received from them. They should therefore be requested to reply without further delay.
