Received from Chief Ship Surveyor

VESSEL'S NAME

St S. Winstan Grange Rpt. Inc

No. 3356

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey

Condition

This vessel has been examined in dry dock, bottom cleaned and coated. The boiler space was examined after the removal of the boilers and the tank top plating in way of the after boiler bearer has been doubled.

It is submitted the vessel appears worthy to remain as classed with record of survey as recommended.
