G. B. Seyfang Esq
Dear Sir

We are duly
in receipt of your favor
of the 9th inst., and in-
fer from its tenor
that our letter of the
27th ult., with en-
closure has not been
sent before your
Committee as promised.

After the explanation
given we cannot for a
moment believe that a
Certificate would be
withheld for so very
trifling a matter as the

in your last to state
that our letter relating

non-proof of Anchors
which have been shown
to be over the weight
required by your Rules.

"The time that will
not be a must break"
and we trust you will
be enabled to return us
the enclosed with the
necessary addition, as
the ship sails in a few
days and no possibility
now of proving.

We understand the
"Coman" built in this
Port was allowed to
procure man similar
circumstances.

Yours Truly
London John Holman & Sons
