

Hereby certify that
111th to the 10th of January
Lopham
August 1864

I hereby certify that from the 1st to the 30th of January 1864. I superintended the proving of 240 fathoms of 7/8 Cable for the Barge John Holman. it bore a strain of nearly 35 Tons without parting

I proved at the same time 105 fathoms of 7/8 Stream Cable which bore equally well a strain of above 14 Tons
