China House,
FLOATING DRY DOCK,

Plymouth Oct^r 22nd 1864

G. B. Safford Esq^r
Sir,

The certificate sent
this day, by Mr Muller, for the
Barge "Star of Devon" I find
there is a mistake in the tonnage,
it should have been 339 Tons,
instead of 389. I have sent it
back to Mr Muller, to have it
altered, fearing he might be
from home. I thought it advisable
to inform you, so that it might
not be entered in the Supplement
as 389 Tons.

Yours Respectfully
W. Shilston
