

Lloyd's Register of British
and Foreign Shipping.

2, White Lion Court, Cornhill.

12th July 1857

Sir

I am sorry to find that
Mr. Jolling has not made a mistake
in his Report of the Ship "Charlotte
Ann" built by Messrs. White of Cowes
for Mr. Wheeler, as I find that
all the in & out bolts of the hanging
and standard knees and also of the
shelves of the Poop & fore castle are
all of iron when for the intended
Class B they should have been
of Copper or Yellow Metal -

I am

Sir

Your Most Obedt.

L^dCharles Graham Esq^r
Secretary

J. H. Ritchie
