

MEMORANDUM

from J. C. W. LOOS,

Surveyor to Lloyd's Register.

Westerbaven 11-6.

to B. Haymouth Esq.

Rotterdam, 8 August 1875.

Private My dear Sir!

I hope the Committee will change the classification of the "Boach 4:" and gives her eleven years. I assure you I can't give them Certificate to the Owner. - I can't speak about it. - for it will be prejudicial to Lloyd's Register. - Yesterday the Owner call me about the Certificate of his vessel. - and I must tell him that I expect a letter of London every day.

I hope you will do what you can do in this case. I shall pay the Fees in my account. but I never give that Certificate to the Owner.

I remain dear Sir Your obedient servant
J. C. W. Loos
