

M.

SURVEYOR OFFICE ROTTERDAM, 3 April 1886.

The Secretary

Lloyds Register Office.

London &c.

Dear Sir!

I am accordance with your letter of the 3^d October 1885. I have forwarded the reports n^o 894^{a/b} of the Hopper Dredge built by Messrs J. & K. Smit in the usual way and as soon as she is taken to pieces and ready for transshipment: I shall send up a report for the Committee's information.

At present they are busy to make her to pieces.

I am, dear Sir!

Your Obedient Servant

J. W. W.

P.S. Received my best thanks for that you have forwarded to me a copy of the letter to Mr. Borchers about the s.s. "Leerdam" & "Edam". As soon as I have the longitudinal sketch of the s.s. "Leerdam", then I shall forward to you a copy of these and the Midship section: — The Steamer "Leerdam" is going to New York this day.
