When the cost of a reply to a Telegram has been prepaid, and the number of words in the reply is in excess of the prepayment, the sender of the reply must pay for any excess of words over the number so prepaid.

Telegrams may be re-directed from town to town at an extra charge of one-half the ordinary inland tariff, fractions of threepence being reckoned as twopence, but in such cases they must not have been opened.

N.B.—It will materially assist the Department if, in making any inquiry respecting this Telegram, the Applicant will enclose this form in his Letter. In the case of a Foreign Message, the application should be addressed to the Administration to which the Message was handed in the first instance.
