Sir

I forward herewith
Report of Schooner "Trevellas"
built at St. Agnes --

On my last visit to
St Agnes - I left my Coat
accidentally in the Train
with the midship Section of
this Vessel in an Envelope
in one of the Pockets - and
altho' the Coat was returned
to me from Paddington - the
paper was missing - which
I very much regret --

I am Sir,
B. Nagmonth
