24th. July, 1899.

The Secretary,

London,

Sir,

We are in receipt of your letter of 22nd. inst. respecting the S.S. "Norman" (ex Albert Dumois ). With reference to the testing of steel used in the construction of this vessel we beg to state that we have forwarded all the particulars of test that we have been able to obtain. We have seen the Norske Veritas Surveyor and are assured by him that all the steel used in her would be tested, and so far as we could judge the material is of good quality.

Particulars of scantlings on First Entry Report form are herewith enclosed.

We are, Sir,

Your obedient Servants,

*J. Lawrence*  
*J. M. Johnstone*
