Dear Sirs:--

We are in due receipt of your favour of yesterday, but regret we are unable to supply the information you require for reclassing the small vessel referred to.

We have made some structural alterations in our Offices, and took the opportunity of destroying a large quantity of old Books, etc., keeping only the records for the last three years.

We have no doubt, however, that Lloyds Registry will be able to supply you with the information you desire.

Yours Truly,

DAVID COLVILLE & SONS LIMITED.
