Mr. T. O. Harrison,

Sunderland

Sir,

I beg to acquaint you that a Report on your Ship "Lord Dalhousie" has been duly received from the Surveyor at Sunderland, who states that at the time she became your property, being then timbered, you distinctly undertook to see the Surveyor "paid for his services," which, he represents, have been, on this occasion more than usually onerous.

I am therefore directed to express the Committee's hope that you will fulfil your pledge, as you will doubtless profit by Mr. Simey's service (Cg)
