Lloyd's Register of British & Foreign Shipping.  
Sunderland. Decem. 18<sup>th</sup> 1854.

Charles Graham Esq<sup>r</sup>.

Sir,

Messrs Bradley & Potts  
have called to say that through a mistake the  
Fees on *Stk. Hastings* No. 5415 have  
been paid at this Office, it being their  
intention to withhold registering, or sending  
her to sea until next year, so as to take  
advantage of the existing regulations in such  
cases. They request, therefore, that her  
character may not be put forward in the  
Register until January.

I remain, Sir,
