

Leith 4th July 1872

Esq. B. Seyfang Esq.
Lloyds

Dear Sir "Clan Alpine"

Referring to my letter of 2nd inst.
I have now the pleasure of handing
enclosed Builders Certificate of
Sitting, which I dare say will be quite
satisfactory and in virtue of which
I shall be glad to hear you are able
to give the additional year asked.
I am hopeful besides that you will
find the vessel is entitled to an
additional year in respect of her
materials, thus prolonging her Class-
ification for two years.

I will be very obliging if you let
me hear early or convenient

Yours truly
Charles Williamson

The opinion of the Surveyor is
requested ^{herein}.

The Owners should be requested
to produce vouchers for this salt
used during the vessel's construction
and she should be examined by
a Surveyor in reference to the
salting before her claims for an
improved class be considered.
