

North Shields, 21st Sep^r 1867

Geo. B. Sneyd Esq

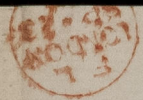

Sir,

We duly received your favour of the 12th inst. the contents of which much surprised us. — We have referred the matter to Mess^{rs} W. Pile & Co the builders of the 'Carnatic', who have undertaken to communicate with you on the subject, and we have every confidence that they will be able to satisfy you that the vessel is entitled to the 16 years class. —

We are, Sir

Yours respectfully
