

Wisebech, 29th Sept

Sir,

I understand from
Mr. Laing that your Committee
have confirmed their resolution
of Thursday the 19th Inst and
decline to grant the 16 year
class to my ship Glenamara
until the stringer or band
suggested by them is put
in, as I am unable to
do this before she sails
I exceedingly regret the
decision; I have therefore
to request that you will

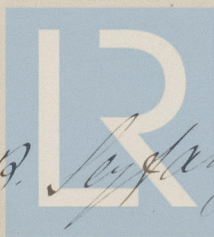

SLD 937-0233 1/2

put into her in the
book for the 14 years &
on her return we will
put in the required band
& claim the higher class

I am

Sir,

Yours respectfully
A. A. Stevens
