The Secretary,

Sir,

In answer to your letter of the 28th instant, forwarded from Sunderland, and referring to my Report h^o #6042 on the machinery of the S. S. "Huddock" I beg respectfully to state that I was misinformed by Mess^{rs}. S. Richardson & Sons as to the stroke of the engines and regret that they did not notice the error when signing the Report.

The stroke should be 45 inches not 43 inches as stated in my Report.

I am, Sir,

Your obedient servant
