REC'D 2- AUG. 90

ANSR

The Secretary,
Sir,

Enclosed herewith please find a plan showing the pumping arrangements proposed by Messrs W. Gray & Co for their D. O. No 396. 7 & 8, and provided steam sections by fitted to the Main and After Holds as shown in pencil on the plan, the arrangement should in our opinion merit the approval of the Committee.

The Midship Section is also enclosed herewith.

We are, Sir,

Your obedient servants,

Allison B. Wilson.

Wm. Rogers.

Lloyd's Register
Foundation

SLD969-0056

It is submitted that provided steam
suctions be fitted in each gutterway
of fore & aft holds as recommended
by the surveyors, & the plan in other
respects be carried out to their
satisfaction it should be app^d of
