REC'D 19 JUL. 91

ANSR

Secretary
Lloyds Register of British
& Foreign Shipping.

Dear Sir

"Royal George"

I understood from your
message that the sealing of the
ship outside, could be done on
her first return to the Country
now she is in New York and
chartered for Melbourne
as the work can be better and
more cheaply done here, she
will be much obliged if you
will let her make another voyage
If this cannot be done please
write in course to my firm
in Liverpool and I will
instruct them to telegraph

We are cabling the Captain
that he may finish painting

Referred to the Chief Surveyor.

29.7.91

It is submitted that the
Owner should be informed
that the sixth survey, which
is considerably overdue, should
now be completed at New York
to entitle the vessel to retain her class in
the Register.
